Reinforced ramp door

Lockable coupling

Leaf spring suspension

Sheep door in rear door

LED lighting

Knott brakes and axles

The M-TEC twin axle range are the perfect trailer for those looking to invest in a long lasting, strong, high quality trailer. M-TEC trailers have been designed and built to withstand the rigorous demands required from your trailer. Spring leaf suspension prevents excess motion of the trailer. With LED lighting and galvanised body the M-TEC trailers are not only eye catching but robust.
